

Emory University

13,000 Compass users. **One upgrade.**

Emory will be upgrading its PeopleSoft financials system (“Compass”) over the next 2 years.

*Change is coming your way.
What does it mean for you?*

New Ways to Work

Whether you need to set-up a grants award, create a purchase order, run reports, or track expenses, the Upgrade could change how you accomplish these tasks. With new features, such as *Workcenters*, you may be able to perform daily tasks from configurable dashboards, reducing clicks and saving time.

Training and support will be available to help you learn the new tools.

Key Benefits

- Optimize our investment in the system and take advantage of improved PeopleSoft functionality.
- Provide continuous operational improvements to the University and Healthcare communities.
- Provide more intuitive user interactions and expand functionality to better support business needs.
- Evaluate opportunities for process improvements.
- Pursue opportunities to reduce our cost of ownership through a reduction of customizations.

We are listening to you. Thank you for staying engaged.
