

How to Launch the PUM Outreach Session Recorded Webinar Session

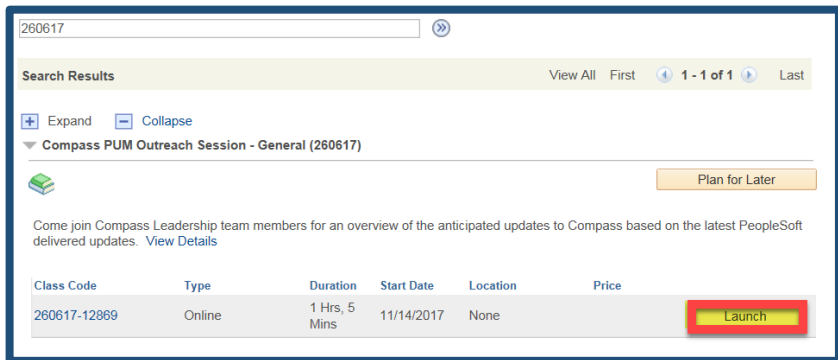

1. Using Internet Explorer, click <https://elmprod9.emory.edu/> and sign into the Emory Learning Management System.
2. From the top menu bar, click on the magnifying glass to search for a course.

3. Enter the course **Code** for the recorded classroom or recorded webinar in the drop-down field and press **Enter**.
 - You can search by Activity Code (**260617-12869**).
 - You can search by the course name, but it is best to use a unique word from the course name to narrow the options (ex. When searching for **Compass PUM Outreach Session**, use "**PUM**" as your search option).

The **Find Learning** page displays with the search results.

4. Click **Launch**. This action will enroll you in the course and launch the recording for this course.
